Reduced Inequalities.

The FPT University's culture encourages equality, with ANTI-DISCRIMINATION POLICIES in admission and recruitment. Sustainable Development Policy of FPTU Chapter I Article 7 . FPTU develops throughout Vietnam from the North, Central, and South. Compared to the quality ground that FPTU provides, the tuition fee here. That increases the opportunity to access higher education for high school students across the country.

At FPT University, 62 percent of students are first-generation university students in 2021.

Every year, the Computer Service and Network Administration Department at FPT University gives priority to hiring **STUDENTS WITH DISABILITIES** as part-time workers because the job's nature is ideal for them. These students are given priority in being hired as full-time computer service workers after graduating.

FPT University has created **PATHS FOR PEOPLE WITH DISABILITIES**, with the Hanoi campus providing 37.42 percent of the total school area for people with disabilities to access and reuse, while the Ho Chi Minh campus providing 62.50 percent of the total school area for people with disabilities to access and reuse.

FPT University also recognizes **THE UNIONS** representing and protecting the legitimate rights and interests of all employees at the university. Additionally, all FPT University staff can **EMAIL YKIEN@FE.EDU.VN** to show their voice and opinions on all issues. There is a department responsible for forwarding these comments to the person in charge to settle and evaluate the results afterward. **Sustainable Development Policy of FPTU chapter I Article 3**

FPTU Students' Association has brought meaningful gifts to poverty children
