Annual Program “7 Days Experience”

During the journey of "7 Days Experience" in Ea Luh village, Nghia Hung commune, Chu Pah district, Gia Lai province, students of batches 14, 13, and 15 learned and experienced the life of the mountainous area. Moreover, the journey of green tea harvesting has helped them know how different types of A, B, C, and D tea leaves are. They visited the coffee and pepper field the following day.

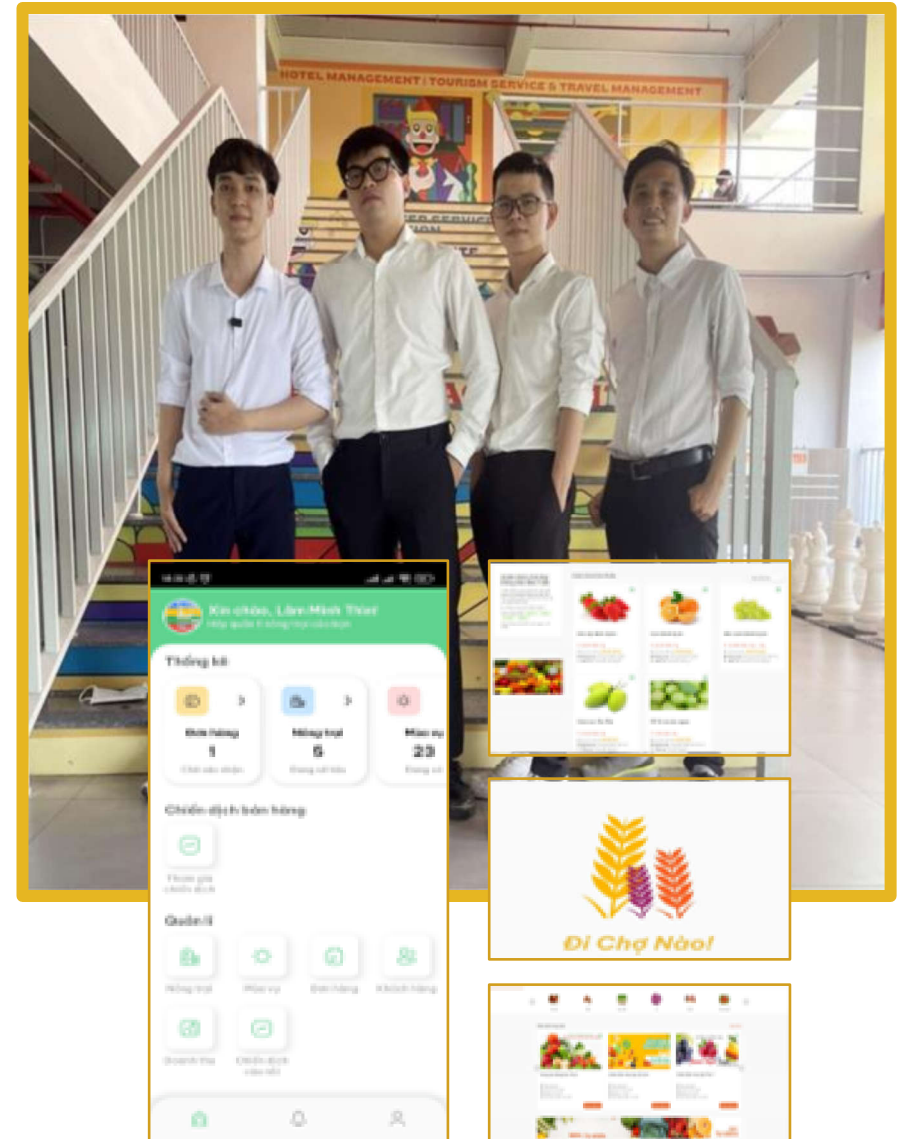

FPTU's canteens provide sustainable, healthy and affordable food choices for all on campus, including vegetarian and vegan food.

E-commerce platform – a sustainable solution of FPTU students for farming products

Stemming from the increasing demand for Vietnamese agricultural products as well as helping farmers to sell goods online, a group of FPT University students including Lam Minh Thin (team leader), Nguyen Thanh Nhan, Nguyen Quoc Vuong and Nguyen Xuan Linh Tam has developed an online sales system combined with an E-commerce platform platform called Di Cho Nao.
