An orientation week is a mandatory part of all programs at FPTU. All fresh students are introduced to the university, personal development path, professional skills, experiential activities, SDGs and contributions to achieve them, etc.

### “Earth Day” project in FPTU students’ assignments

More than 700 students from 27 classes participated in the assignments related to the “FPTU Earth Day: Reduce, Reuse, Recycle” topic. Over 90 recycled products varying from such everyday items as bags, decorative lights to even architecture models were displayed and introduced to everyone.

## Bring traditional music to community

FPTU traditional music bands bring the love of traditional music to students at more than 50 high schools surrounding the campuses by performing traditional musical instruments, teaching them how to play the instruments, opening free classes about traditional music, etc.

## International cooperation for the SDGs

Currently, FPTU maintains close relationships and cooperation with more than 200 universities from 33 countries around the world and continues to expand. Some typical programs can be named such as English study abroad program, “Semester abroad”, cultural exchange program, internship abroad, etc.

Lecturer of the Business Administration Department presented at The Sustainable Agriculture conference in Germany.

## International collaboration and research to review comparative approaches and develop international best practice on tackling the SDGs

An Information Technology lecturer of FPTU shared his research paper in the ACM International Conference on Multimedia in Asia 2022 - A hybrid conference for both in-person and online attendance options covering all aspects of the multimedia field.

FPTU will be hosting the Conference of the Accreditation Council for American Business Schools and Programs (ACBSP) Region 10 at the Ho Chi Minh City campus. This is the first time for FPTU Ho Chi Minh City campus to ever host this event.

Representatives of institutions came to FPTU to attend the ACBSP Region 10 preparatory meeting.

Business Administration lecturers participated in the 7th International Conference on Applied Economics and Business (Denmark) to present the topic of Sustainable Tourism Management.
