SchoolRank - An academic ranking search tool

It is a useful tool for high school students to compare their academic performance to the common level. Moreover, universities have a supporting channel to assess applicants' ability.

FPTU's priority policy for first-generation candidates

The policy of encouraging the pursuing higher education of first-generation students officially comes into force in 2021 and implemented in the 2021-2022 enrollment period. Therefore, first-generation students will have many opportunities to get a degree although their previous 2-generation family did not have the opportunity to go to university.

Free IBSTPI classes for FPTU student

FPTU students are encouraged to improve their teaching skills by participate in free IBSTPI (The International Board of Standards for Training, Performance, and Instruction) classes. At FPTU, students are expected to become non-professional teachers and contribute to the goal of community education.

The community project “Teaching traditional music to local children or high school students”

FPTU has provided free traditional music classes for local children or high school students. Especially, Hope School- A home for children orphaned by COVID-19 in Vietnam is a destination that FPTU students usually approaches.

LIFELONG LEARNING

FPTU has opened many short courses for people who are not attending the university or working. The topics of these short courses are mainly business administration, sales, innovation, digital transformation, etc.

Short courses of FAI (FPT Academy International) under FPTU are attracting to people of all ages, including those who did not attend university.

Events at FPTU are open to the public Seminar “Customer experience trends and How to improve your competitive positioning” is organized by FPTU, at the headquarters of FPT Building Corporation. The seminar attracted nearly 500 attendees, including more than 200 participants directly at the hall and 300 participants online.
