2. International employees:

Moreover, the University provides financial aid to international employees, ranging from 3,500,000VND to 4,500,000VND a month according to Decision No. 1394/QD-DHFPT dated December 6th, 2021 Regarding the promulgation of regulations on income payment for FPT University lecturers.

3. FPT Offers Low-Interest Loans for Employees to Buy Houses and Cars.

In order to help employees stabilize their lives, FPT Corporation and its subsidiaries continue to implement support programs for employees to take out loans for purchasing houses, cars, or improving their income levels.

Specifically, instead of paying the full interest when borrowing from a bank, FPT employees will be offered an interest rate subsidy of 4% per year for bank loans up to VND 1.5 billion when buying a house, or a 6% per year interest rate for bank loans up to VND 600 million when purchasing a car.
