HOPE FOUNDATION

[The Hope Foundation](#) is a social and charitable fund operating for the community on a non-profit basis, established and sponsored by the FPT Corporation, including FPT University. The Foundation pursues two main goals: supporting those in difficult circumstances and fostering development. The highlight of all the Foundation's activities is children, especially those in remote areas and disadvantaged children.

Hope Foundation's journey in 2023:

New schools built, renovated	45
New bridges built	113
Lunar New Year support cases	1.550
Children treated	487
New sanitation clusters	51
Electronic libraries	35
Total donated funds supporting the community	44,3 B VND

HOPE SCHOOL - A New Chapter in the Lives of Orphaned Children

[Hope School](#), established by FPT Corporation and the Hope Foundation, is located in FPT City Da Nang (Da Nang City).

The school aims to nurture and educate children who have lost their parents to the COVID-19 pandemic, with the mission of sharing love and support, and guiding them towards a brighter future.

FES - Open Heart 50: Share to be Shared 2023

The “[Share to be Shared](#)” project is a volunteer initiative aimed at providing English education guidance to underprivileged children. In October 2023, the project garnered significant attention from benefactors, raising nearly 60 million VND in donations shortly after its launch.

Hand in Hand to Go Global Project - Phase 2

FPTU’s [Hand in Hand to Go Global](#) project helps students at Hope School learn English. On January 12th, the Phase 2 closing ceremony honored 26 outstanding individuals. The project strengthens connections, develops skills, and enhances knowledge for both university and school students. Phase 3 will be launched soon in the near future.

I haven’t had a chance to speak

“[Am Sac](#)” a student group from the Soft Skills Department, organized the charity music night “I Haven’t Had a Chance to Speak” to support abandoned and underprivileged children. The event raised 8.330 million VND and received support from the public, numerous benefactors, and KOLs. All profits from the music night will be donated to the children.

“Journey Will Bloom” Project

The “[Journey Will Bloom](#)” project was launched on May 9, 2024, with the signing of a cooperation agreement between Thanh Nien Newspaper and Hy Vong Primary - Secondary - High School. The “With You for Life” program aims to support children in difficult circumstances, orphaned due to the Covid-19 pandemic.
