

**Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels**

To objectively evaluate the school’s activities, periodic surveys are conducted among various stakeholders:

**Students evaluate:** Teaching quality (GPA) of lecturers, curriculum, and school services, and provide feedback for businesses. They also act towards SDGs.

**Faculty and staff evaluate:** Service-providing departments and take actions toward SDGs.

**Businesses:** Provide feedback to the school.
