30,177
actions of students at FPT University have supported the goal of “Partnerships For The Goals” - SDG 17

949
actions of lecturers and employees at FPT University have supported the goal of “Partnerships For The Goals” - SDG 17

FPTU on Vietnam Universities Rankings

International Conference on Intelligence of Things ICIT 2024

ICIT 2024 will be hosted at FPTU Da Nang. Through this conference, FPT University aims not only to create an international academic forum but also to foster a spirit of creativity and innovation in approaching information technology. The conference will cover areas such as IoT, semiconductor chips, artificial intelligence, blockchain, and strategies to promote growth and sustainable development.

TARUMT x FPTU Global Business Contest Summer 2023

The [TARUMT x FPTU Global Business Contest Summer 2023](#) is an academic competition for economics students, organized by FPT University as part of the SSB201 Advanced Business Communication course. This program, in collaboration with TARUMT University Malaysia and FPT University Ho Chi Minh City, helps contestants enhance their skills in Business Presentations and Intercultural Communication. The winning team will receive a trip to Malaysia and Vietnam, providing an opportunity to broaden their knowledge and connections.

Some research papers by FPTU students presented at ICIT 2024:

- An Improvement of Large Language Model for Vietnamese Traffic Law Question Answer System.
- Sensing and Estimating Human Pose for a Virtual Try-On Application
- Underwater Image Super-Resolution based on the combination of Generative Adversarial Networks and Transformer

International Cooperation

MOU Signing ceremony chip design in semiconductor industrial between FPTU and Jetking India and Press Conference after the signing ceremony.

FPTU has closely collaborated with Greenwich University – UK since 2009, and this partnership has only grown and deepened over the years.

The photo commemorates 15 years of cooperation and the renewal of their partnership.

FPT University Hanoi Welcomes Microsoft Education Representatives

FPT University Hanoi recently hosted representatives from Microsoft Education, including Mr. Robert Smith, Advisor to the Director of Education for the Public Sector in Asia. The meeting was attended by Vice Rectors Dr. Nguyen Kim Anh and Dr. Nguyen Xuan Phong, along with other faculty members. Discussions focused on the potential collaboration to integrate Generative AI into the student curriculum. The meeting took place in an open, friendly atmosphere, promising future cooperation prospects between FPTU and Microsoft Education.

FPTU - RSU - SBS Business Program Academic Integration Competition – Season 3

The 3rd season of the “[Business Program Academic Integration](#)” competition, organized by Rangsit University Thailand, Saigon Business School (SBS), and FPT University Ho Chi Minh City, is an academic platform designed to help students develop skills in Business Presentation and Intercultural Communication, preparing them for the “Go Global” journey. Students have the opportunity to engage in international exchanges, self-train, and gain valuable experience. The competition emphasizes the value of “Applying Learned Theory” and developing soft skills through experience and mutual learning.

Vietnam-Korea Traditional Music and Instrument Exchange

[The Vietnam-Korea traditional music and instrument exchange](#) at FPT University was filled with emotions and cherished memories. Students immersed themselves in the melodies of Vietnamese traditional instruments with fresh arrangements. The Korean ensemble performed harmonious pieces that told cultural stories, bringing the land of kimchi closer to everyone. This artistic fusion between Vietnam and Korea left a profound impression on the students.

FPT University Students Engage in International Art Exchange with Stellar Musical Theater School

FPT University students confidently showcased traditional music at [an art exchange event with the Stellar Musical Theater School](#), promoting Vietnamese culture through traditional instruments and attire. They also performed famous songs and engaged in cultural exchanges with international friends. Since 2014, FPT University has integrated traditional musical instruments into its official curriculum, enabling students to master various Vietnamese instruments. Both domestic and international artistic activities help students develop comprehensively, preparing them for global integration.
